Jesse and Jennifer,

Rodney Vargas in the records center ran the index for the OU1 ROD through the date the ROD was signed. There's 771 (uncontrolled) records in the AR which support issuance of the ROD, including the RI/FS, proposed plan, and EPA response to public comment on the proposed plan.

Jennifer--

Do you need the index and all the documents burned to a disc for the requestor(s)? Rodney is checking right now to confirm that we have pdf's of all the records listed in the AR.

Thanks,
Mark

Mark,

Attached is the Vasquez Blvd AR index for OU1 your requested. The index is in date order up to the 9/25/2003 date. All the AR documents were identified by the tracking information section in SEMS. Please call me with any questions.

Rodney,

Yes, that is the document I was looking for.

If you can generate an AR index for OU1 for AR-marked documents up to and including 9/25/2003 (date of OU1 ROD), that would much appreciated.

Thank you,
Mark
